

TS1-2/M12 Pole clamp, single (Ø 102-114)

147-0526

Pole clamp made from marine-grade aluminium construction. 5CE superior corrosion protection including PCS hardware. Powdercoat finish in RAL 7016, RAL 9004, RAL 9006, RAL 9007 or RAL 9016.  
For mounting of one (TS1) or two (TS2) projectors. To rotate the projector on the pole clamp an adapter is required, which is available on request.
