

R2C Ready to Connect (top)

we-ef

430-0019

R2C- top option: Factory-installed, IPX6 protected and standardised Zhaga interface on the top of the luminaire housing. The interface is covered with a robust protective cap. The luminaire is fully pre-wired and equipped with a DALI LED driver. Depending on the choice of light management system, a corresponding controller must be selected for commissioning and attached to the standardised Zhaga Book 18 interface (Plug'n Play system).
