LTM440 LED-FT

**we-ef**

#### Description

IP66, Class I. IK10. Marine-grade die-cast aluminium alloy. 5CE superior corrosion protection including PCS hardware. Silicone CCG® Controlled Compression Gasket. Polycarbonate main lens. CAD-optimised optics for superior illumination and glare control.

Service door with fused cable connecting box.

|                           |   |
|---------------------------|---|
| Weight                    | 25.00 kg                                |
| Light distribution        | controlled symmetric distribution [C50] |
| Light source              | LED-FT-37W / 700 mA - 3000 K            |
| CRI                       | 80                                      |
| Power supply              | EC                                      |
| LEDs                      | 1                                       |
| Rated input power         | 42 W                                    |
| <b>Rated lumens (lm)</b>  |   |
| LED Lumen                 | 5171.3                                  |
| Total Lumen               | 5171.3                                  |
| Ta                        | 25                                      |
| <b>Nominal Lumen (lm)</b> |   |
| LED Lumen                 | 6330                                    |
| Total Lumen               | 6330                                    |
| Tc                        | 25                                      |

## Specifications

### Material description

|                      |   |
|----------------------|---|
| Body                 | Marine-grade, all-aluminium construction  |
| Colours              |  RAL9004 Signal black<br> RAL9006 White aluminium<br> RAL9007 Grey aluminium |
| Gasket               | Silicone CCG® Controlled Compression Gasket   |
| Fasteners            | PCS Polymer Coated Stainless Steel hardware   |
| Ingress protection   | IP66  |
| Impact resistance    | IK10  |
| Corrosion resistance | 5CE   |

### Electrical description

|                  |                                  |
|------------------|----------------------------------|
| Power supply     | 220-240V / 50-60 Hz              |
| Driver / Ballast | Integral EC electronic converter |

### Additional information

|          |                        |
|----------|------------------------|
| Lifetime | Ta=40° L70B50 > 50000h |
|----------|------------------------|
