

Description

The RFL530-SE LED features an elegant round shape, designed for side entry installation on poles, seamlessly blending into urban landscapes by day and night. Constructed from marine-grade die-cast aluminium with an IP66 rating, 5CE + Primer protection, and stainless steel fixings with PCS hardware, this durable luminaire withstands tough conditions and ensures longevity.

Its consistent design language enhances both historical and modern settings, providing optimised, standard-compliant light distribution for various urban situations, ensuring visual comfort and sustainability.

Equipped with WE-EF's IOS® Innovative Optical System and OLC® (One LED Concept), the RFL530-SE LED delivers high efficiency and exceptional light quality. A broad selection of LED lens types enhances its versatility for multiple applications. Factory-sealed for easy installation.

The luminaire can be configured to meet diverse application needs, with a vast range of proprietary optics, colour temperatures, wattages, lumen outputs, finish colours, and control options.

An optional 2200 K version is available for a maximum of 1050mA, to be specified at the time of ordering.

If your desired configuration is not listed, please reach out to us with your customisation request.
