

## Constant - Wood and Galvanised Steel

Mahogany. Base section tubular steel. Hot dipped galvanised inside and out. Chrome-free conversion coating with superior powdercoat finish in RAL colour. Including spigot. Service door with stainless locking screw. Suitable for one cable connecting box. Standard version with planted root and cable entry hole. Special version with surface mounting flange plate is available on request.

Please specify RAL colour reference number according to the WE-EF RAL Colour Chart.

Wood is a natural material and therefore susceptible to higher colour and texture variations. Natural ageing is part of the product. We recommend to use a suitable wood stain every 12 months for maintenance and protection.

Special version with surface mounting flange plate on request.
