- 4 mm Allen key

Installation

The luminaire should be installed and maintained by a suit-ably qualified person in compliance with latest electrical regulations and relevant legislation.

The luminaire does not need to be opened for installation.

The LED should only be replaced by a qualified technician.

In case of questions please contact our technical hotline:
+61 458 933 399 (from Monday - Friday from 07.00 until 19.00 hours.

Installation Procedure

- 1) Switch off the mains electrical supply. ⚡
- 2) Insert cable inside pole, put luminaire head on top and evenly tighten threaded pins **A** (max. 15 Nm).
- 3) Terminate the cable to the supply as per local wiring standards, L1 → L1 (brown), N → N (blue) and E → E (green/yellow).
- 4) Where an external surge protection device is supplied, please wire as per the installation instructions supplied with the SPD. For protection class II, the earthing is omitted.

Maintenance

Apart from cleaning the outside of the luminaire no special maintenance work is necessary.

Do not use a high pressure cleaner on the luminaire
No user serviceable parts.
