

## Description

LED upgrade kit to repair or upgrade installed VFL520 LED luminaires (from 2014) with [S60] [S65] [S70] [S65] light distribution.

Upgrade kit uses the latest technology for improved energy performance. Connectivity and controls dependent on previous luminaire settings; DALI and 0-10V only possible if luminaire installed with 5-wire cable. One LED retrofit kit possible per luminaire. Upgrade Kit comes complete with driver, LED board, optics and cables. Quick installation possible with few tools. Installation only possible with 6 LED board and only for forward orientation. No rotation of lenses possible. Not available for existing hybrid installations. A backlight shield cannot be used.

Please specify wattage, colour temperature and light distribution when ordering!

For photometric data see current VFL520 LED luminaires.
